Click Go. Your browser will take you to a Web page (URL) associated with that DOI name. Send questions or comments to doi ...

Resolve a DOI Name - A report from the National Science Foundation recently stated that a majority of young people believe astrology to be scientific, as reported by Science News, Mother Jones, UPI, and Slashdot, among others. Troubling if true, but I believe this to be a faulty interpretation of the NSF report. And I have human subjects data to support this argument. NSF Report Flawed; Americans Do Not Believe Astrology is ... -
